

North Star Futurity

All Breed Halter/Performance Stallion Service Auction & Breeder's Futurity

by the Minnesota North Star Paint Horse Club (MNSPHC)

General Rules

North Star Futurity "All Breed" refers to horses that are registered with the following stock breed associations:

APHA, AQHA, ApHC, IBHA, ABRA, PBHA, ARHA and PTHA Stock.

The purpose of North Star Futurity is for breeders, owners & exhibitors to showcase offspring that were the result of a breeding purchased through our Stallion Service Auction.

What this program offers: a series of futurity classes for foals through (2) years of age, registered with stock breed associations, which are sired by Stallions whose service sold on the North Star Futurity Stallion Service Auction (SSA). Each series consists of Weanling, Yearling and Two Year Old classes. In each class, the highest placing APHA registered foal/horse (regular registry or solid paint bred) will receive an extra bonus. When OPEN FUTURITY CLASSES are offered, horse **does not** have to be sired by a stallion whose service sold on the North Star Futurity SSA.

SUPER HORSE AWARD: will be given to the high point horse in it's Two-year-old year, by tabulating the total points earned throughout the series from Weanling through Age Two.
